

# A better letter lasts longer. Pronto™ Changeable Copy.

Gemini Pronto™ Changeable Copy is a cut above traditional saw-cut changeable copy. Made from a rigid and durable injection-molded blank, each panel is molded with a small raised edge on the back designed to prevent scratching as the letters are moved in and out of the Pronto track, extending the useful life of each letter. The molded-in feet keep debris and ice from interfering with the change out. Best of all, eco-friendly Pronto letters use highly durable UV inks with no VOCs. With Pronto, there are no harmful emissions created during our manufacturing process.

*Pronto letters are available in four high-visibility font styles, a range of sizes and each in black, red and white colors.*

### Pronto Standard Sizes

LETTER HEIGHT (IN.)	PANEL HEIGHT (IN.)
3"	3 7/8"
4	4 7/8
6	6 7/8
8 on 9	8 7/8
8	9 7/8
10	11 7/8

**Important Note:**  
To order, please specify **Letter Height** and **Panel Height**

*Gemini's exclusive injection-molded Pronto letter design offers crystal clarity and features slightly raised edges to protect the letter from scratches, plus molded feet to make changing signs easier and faster.*

Made True.

• = Available

## Pronto Styles

NOTE: Pronto letters enclosed in a sealed vandal-proof cover require venting, otherwise warping may occur.
